THE WHITE HOUSE

WASHINGTON

September 8, 1978

Dear Mr. Chairman:

Early in my administration I proposed to Congress that the Hatch Act provisions affecting the political activities of federal employees be modified.

I was pleased that the House, under your leadership, voted overwhelmingly last year to strengthen the protections of federal employees from political coercion on the job while permitting them to freely exercise their First Amendment rights to participate in the political process. I continue to support Hatch Act reform.

Because I am concerned that the issues surrounding Hatch Act modification and Civil Service reform not become intertwined, I have consistently sought reform of the Hatch Act independent of action on Civil Service reform.

I believe separate consideration of the two bills is the best way to insure that each bill is eventually passed. This does not reflect any diminution of my commitment to fuller political participation for federal employees while affording necessary protections to the public. It does reflect my belief that the Hatch Act should not be considered together with Civil Service reform.

I share your concern that the Senate has not yet acted upon Hatch Act legislation, and intend to bring this concern to the attention of the Senate leadership. Hopefully, consideration and action will be taken without undue delay -- prior to adjournment.

Your efforts on behalf of Hatch Act reform merit the appreciation of all federal employees anxious to exercise their basic political rights. I look forward to continuing our mutual efforts in support of those federal employees.

Sincerely,

Subcommittee on Civil Service

(1) SUPPORT FOR STATIONING U.S. TROOPS IN THE MIDDLE EAST (94% Con)

Responding to reports from the press, writers strongly object to stationing American troops in the Middle East and jeopardizing their lives in another conflict in which the United States is not directly involved.

(2) SUPPORT FOR APPOINTMENT OF SARAH WEDDINGTON (91% Con)

Contending that it is inconsistent with the Administration's stated position on abortion, supporters of the Right to Life are expressing opposition to the appointment of Ms. Weddington because of her pro abortion stance.

FROM:

STU EIZENSTAT

SUBJECT:

Enrolled Bill H.R. 8471
Exhibition of U.S.S. Wyoming Nameplate,
Ship's Bell and Silver Service

THE BILL

Current law provides that the nameplate, ship's bell and the silver service of the U.S.S. Wyoming, on loan from the Secretary of the Navy to the Governor of Wyoming, shall be used for exhibition and educational purposes by the University of Wyoming. The enrolled bill would permit the State to exhibit the silver service at the Wyoming State Museum, as state officials wish to do, by amending the law to make the place of exhibition of the articles discretionary with the Governor of Wyoming. The bill also would clarify that ownership of the items remains with the Department of the Navy.

VOTES IN CONGRESS

The bill passed both House and Senate by voice vote.

AGENCY AND STAFF RECOMMENDATIONS

OMB and Defense recommend approval and GSA has no objection. No senior staff member has objected to signature. Frank and I recommend that you sign the bill.
